

Hi There,
Remember
me the girl who
was always afraid
she was going to blow
myself up. Not that I cared
about the building just me -
Best luck and I keep smiling
Karin Johnson

Mr. Reneau, while difficult
in your class, was very interesting
for me was new interesting
and I think that I learned
more in Chemistry than in any
other class. Kevin Hichs

Mr. Reneau -
I really enjoyed being
in your class this year. It
was rather hard but enjoyable.
I will undoubtedly tell my
classmates friends what to
expect. I will explain the nerve
racking experience of the essay for
speed - or well, keep rooting for
the condorial and the rooting for
because they need the funds team
Best wishes

Mr. Reneau,
I really did enjoy
this past year. But
to tell you the truth
I'm glad I won't
be in Chemistry next
year!

gaze upward at the mountain mass and feel overwhelmed.
trudge slowly up through the shadows.
work your way over the foothills.
rest awhile.
begin hiking again.
pick your way through brambles.
drink from a mountain stream and refresh yourself.
walk reverently through a grove of redwoods.
climb over broken rock.
left your head, the top is in sight.
pull your aching body upward.
strain a few more feet.
there.
you are at the top.
you will never make that ascent again.
look around you.
see everything there is to see.
it will not be there tomorrow.

dedication

We, the class of '64, dedicate the 1964 PAI to the memory of Mrs. Suzanne Kemper. Before she developed her fatal illness last fall, Mrs. Kemper served for five years at Tam as school nurse. But she exceeded her role as school nurse; she became a part of the school.

We all remember her warm personality and cheerful spirit. Her mind moved swiftly and keenly. She was always alert, ready to meet new challenges. Most of all, she had a genuine interest in the welfare of other human beings. We feel that the memory of Mrs. Kemper is truly worth saving.

class

The Class of '65 emerged as an aggressive and striving group. Under its leadership, although it accomplished few events with great success, its vivacious spirit was evident during the year. The Pai wishes to congratulate the Class of '65 and hopes this year's progress is a guideline for the future.

spring student body officers

The administration of student body presidents Chris Schuepbach and John Wooley proved devoid of much legislation or action of any sort, that is, unless one considers the song leading bill as significant legislation. This measure to insure that the songleaders are always well-trained seems, in retrospect, a paltry showing for a student congress which can and should, but rarely does, meet every other week. Apathy on the part of many student representatives and some of the student officers has contributed to the lethargy of the student government of 1964.

The Spring Committees continued working along the same lines as their fall predecessors. Propaganda from the Publicity Committee slackened off, mainly because there were fewer events to publicize during the spring semester. The Election-Survey Committee continued their important task of assuring fair, accurate and well-organized student body elections.

Despite repeated promises to the contrary, Student Enforcement continued to enforce too little, too late, as far as the student body constitution is concerned. Partner in this malefaction of jurisprudence was the Judicial Committee, whose duty it is to bring offenders to trial and to pass judgment upon them. One cannot help feeling that fear of reprisals from the would-be convicted contributed to the lack of initiative and action on the part of Tam's judicial bodies.

Having worked so well to organize the controversial songleading bill, the fall By-Laws Committee was held over for a repeat performance in the spring. That committee worked hard to provide sorely needed embellishments to the constitution.

fall senior officers

The Senior Class officers devoted their energies to financing the Senior Ball, Tam's cultural event of the year. Among the mercenary endeavors were a car wash, candy sales and the student registers.

junior officers

After a big buildup in the spring semester of '63 the Junior Class reverted to older and more customary practices. Class spirit almost died; a maximum of 10-15 people attended class meetings. Understandably, a great deal of responsibility (and hope) rested on the shoulders of the Spring officers.

freshman officers

The first officers of the Freshman Class exhibited a spirit and determination that will, hopefully, continue throughout the stay of the Class of '67 at Tam. Fall President James Webb, did a fine organizational job and gave a good start in school affairs.

The Junior officers, like the Seniors, were concerned with their big dance, the Junior Prom. They attempted to raise money with Kennedy Memorial Books and candy suckers. They showed spirit and originality in their efforts.

The Spring spirit was typified by short skirted Classics, short panted Aces and a severe lack of attendance at away basketball games. The casual routines of the Classics, and the gymnastics of the 4 Aces attempted to make up for a general lack of audience spirit.

"Pax vobiscum plebians" might well be the motto of the Latin Club, intent upon fostering an interest in a dead language. The Tamalpais Organization for Racial Understanding was founded as an outgrowth of racial tension exhibited by a few students early in the year. Because of widespread student interest, it has become the second largest club on campus. The group raised money for local and national civil rights movements, invited race-relations experts to address the student body, and implemented a well-planned program to create among the student community a strong awareness of the need for interracial justice in a democratic society.

dan rein fan club

midsummer night's dream

The play, *Pyramus and Thisbe*, being presented to Theseus' court and meeting mixed reactions.

Midsummer Night's Dream, Tam's Shakespearean play for this year, was performed with skill that ranged from perfect to passing. Shakespeare has never been funnier than when Bottom sang of the ouzel cock or when Puck, with an herb, transferred the affections of Titania and the Athenian youths from one object to another.

This year the Honor T officers, plagued by a lack of interest from the club members, changed the constitution and raised money for the club's E. E. Wood Scholarship. The majority of the members presumably pursued studious activities while the officers and a few members worked for the club. The initiation ceremony was changed, a welcome relief for many bored members and parents. Grand Oracle and Vice Oracle for both semesters were Jim Kelly and Pam Berry, both held each job for one semester. C.S.F., the students with the highest grades in the school, accomplished next to nothing.

our town

Our Town, one of Tam's dramatic efforts this year, was performed admirably. Robert Young as stage manager, Becky Stouman and Jill Cogswell as Emily, and Jan Overturf and Lurette Mattson as Emily's mother deserve mention as very competent in their lead roles. Mr. Dan Caldwell, director, in his second year at Tam, has enriched Tam's drama department greatly.

The News, Tam's student news publication, worked hard to maintain its First Class National Scholastic Press Association rating. Recitals, command performances before the Rotary Club, and continued exhibition of their above average talents have won Tam's choir a respected place in Tam's musical community. The Tamalpais Music Club is made up of students who are taking or have taken any music at Tam. This fall the Installation Dinner was highlighted by the music of Hawaii and the dance of Tahiti by our visiting Tahitian student, Camelia Wong. Outstanding blowhards were Cliff Reynolds on Trumpet, Ken Nishamura on sax and Don Kaufman on clarinet. Under vigorous leadership the Class of '65 continued fund-raising activities which have as their ultimate goal a "good" senior ball and/or junior prom. Financial projects included selling suckers and Tamalpais-imprinted pencils.

The class of '65 seemed to come alive only this year, as is the case with most junior classes. Even so, a few spirited class leaders have born most of the financial worries and have done most of the work.

Don't work too hard and enjoy life.

 football

The 1963 Tamalpais Indians had an undeniably poor season, losing all of their practice games and scoring nary a touchdown until halfway through the official Marin County Athletic League season.

Through the entire season team spirit was high but regrettably spirit does not make up for a lack of basic football skills. Often out-numbered and out-manned, the Indians battled viciously and usually succeeded in injuring most of the opponents.

Team spirit and enthusiasm were high but never in all of Tam's history has student participation been so low. The attendance at games usually mirrored Tam's score on the scoreboard.

Particularly outstanding in their attempts to uplift Tam's hopes were Ellis Williams, whose running stunned fans at the Novato game; Robin Prosch and Cedric Collett who were labeled "Tam's touchdown twins" for their point gaining quarter-back-to-end combinations; and Bob Washington who was Tam's most outstanding lineman.

j.v. football

The '63 Junior Varsity squad tried hard and died hard. The poor seasonal record was offset by J.V. football's main goal; to give the boys the experience needed to play varsity football.

Coach Marshall praised sophomore quarterback Barry Warnock's fine passing and punting skill. Coach Fraley singled out John Pierraccini, Ron Pederson, Horace White, and Ronald Smith from among the finer Junior Varsity athletes as potentially good varsity players.

Junior Varsity quarterback Barry Warnock punts the ball deep into enemy territory.

The members of the freshman football squad completed the 1963 season looking like true athletes. Although their seasonal record was not the best, coaches Ahlsten and Healy were pleased with their attempts at coordination, which, although futile, were earnest.

Frosh standouts, who are sure to show well in future years, are: Kirk Sparks, Jeff Stott, James Webb, and Art Senter.

The varsity and junior varsity cross country squads continued to hold the Marin County Athletic League championship this year. Led by Keith Krieger, seventh best high school cross country runner in the United States, the squad easily beat all bay teams to place 28th in the nation.

Keith Krieger placed first in Marin county, with Sigurd Hope taking a third and Jim Lopes a close fourth place. Coach Vezie plans to take the championship again next year with the help Jim Lopes, Robert Clear, and Corky Corcaran.

varsity basketball

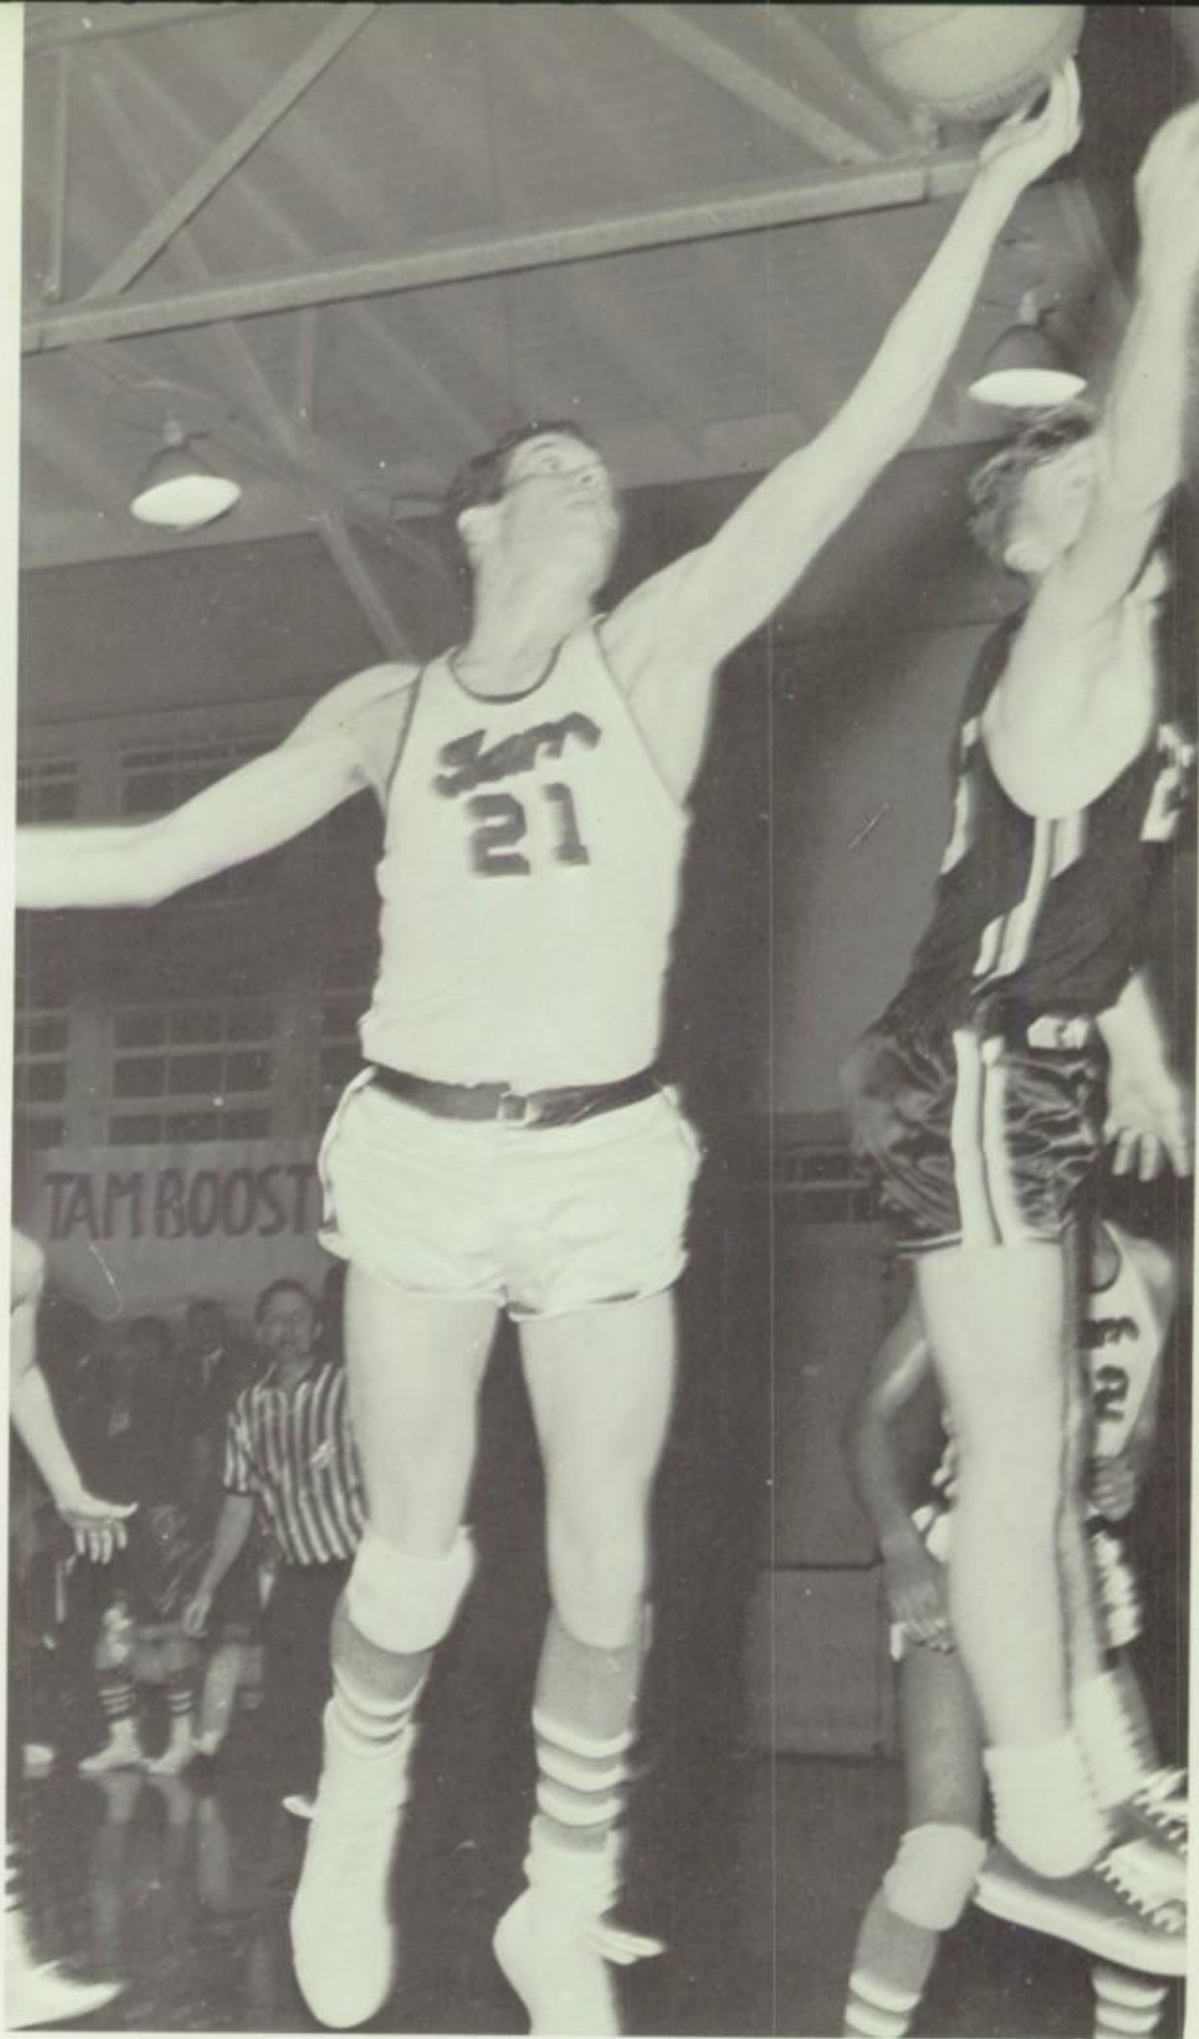

The 1963-64 varsity basketball season was one of despair at Tam; after miserable pre-seasonal game experiences and one lucky win in the annual M.C.A.L. Christmas Tournament, the Tam cagers proceeded to drop 8 out of 12 contests in regular season play. This poor showing was due, at least in part, to the fact that Ellis Williams, the one returning starter from last year's champion team, played roughly half the season on a bad angle injured in one of the games. And, to add misery to misery, the Indians set a M.C.A.L. record of 82 points in a game only to see it broken the next week by an 87 point Marin Catholic performance. Frustrating? You bet!

Now, as a departure from sad recollections of this past season, a few glimpses at prospects for next year's varsity squad. The one junior who played on this year's team, Larry Grey, is expected to be a real tiger next year, especially on defense. Good performances are also expected from Steve Hewett, Ron Pederson, Mike Holloway and Danny Hayden, all up from the J.V. squad, and all of whom will be seniors next year; additionally, Ron Gilliam and Greg Tellis, sophomore stars on this year's "B" team, are thought to be of varsity potential and are being picked as standouts in their senior years.

The 1963-64 B basketball season was counted off as an experience—gaining and building year by Coach Allen Ahlsten; next year's B squad should be one of the best Tam has ever had with Mike Biber and Ronnie Turner returning from this year's squad and the addition of several fine players off the frosh team.

The J.V. squad enjoyed a better-than-average season during the 1963-64 year. Under the supervision of coach Hank Marshall the J.V.'s came out even in wins and losses.

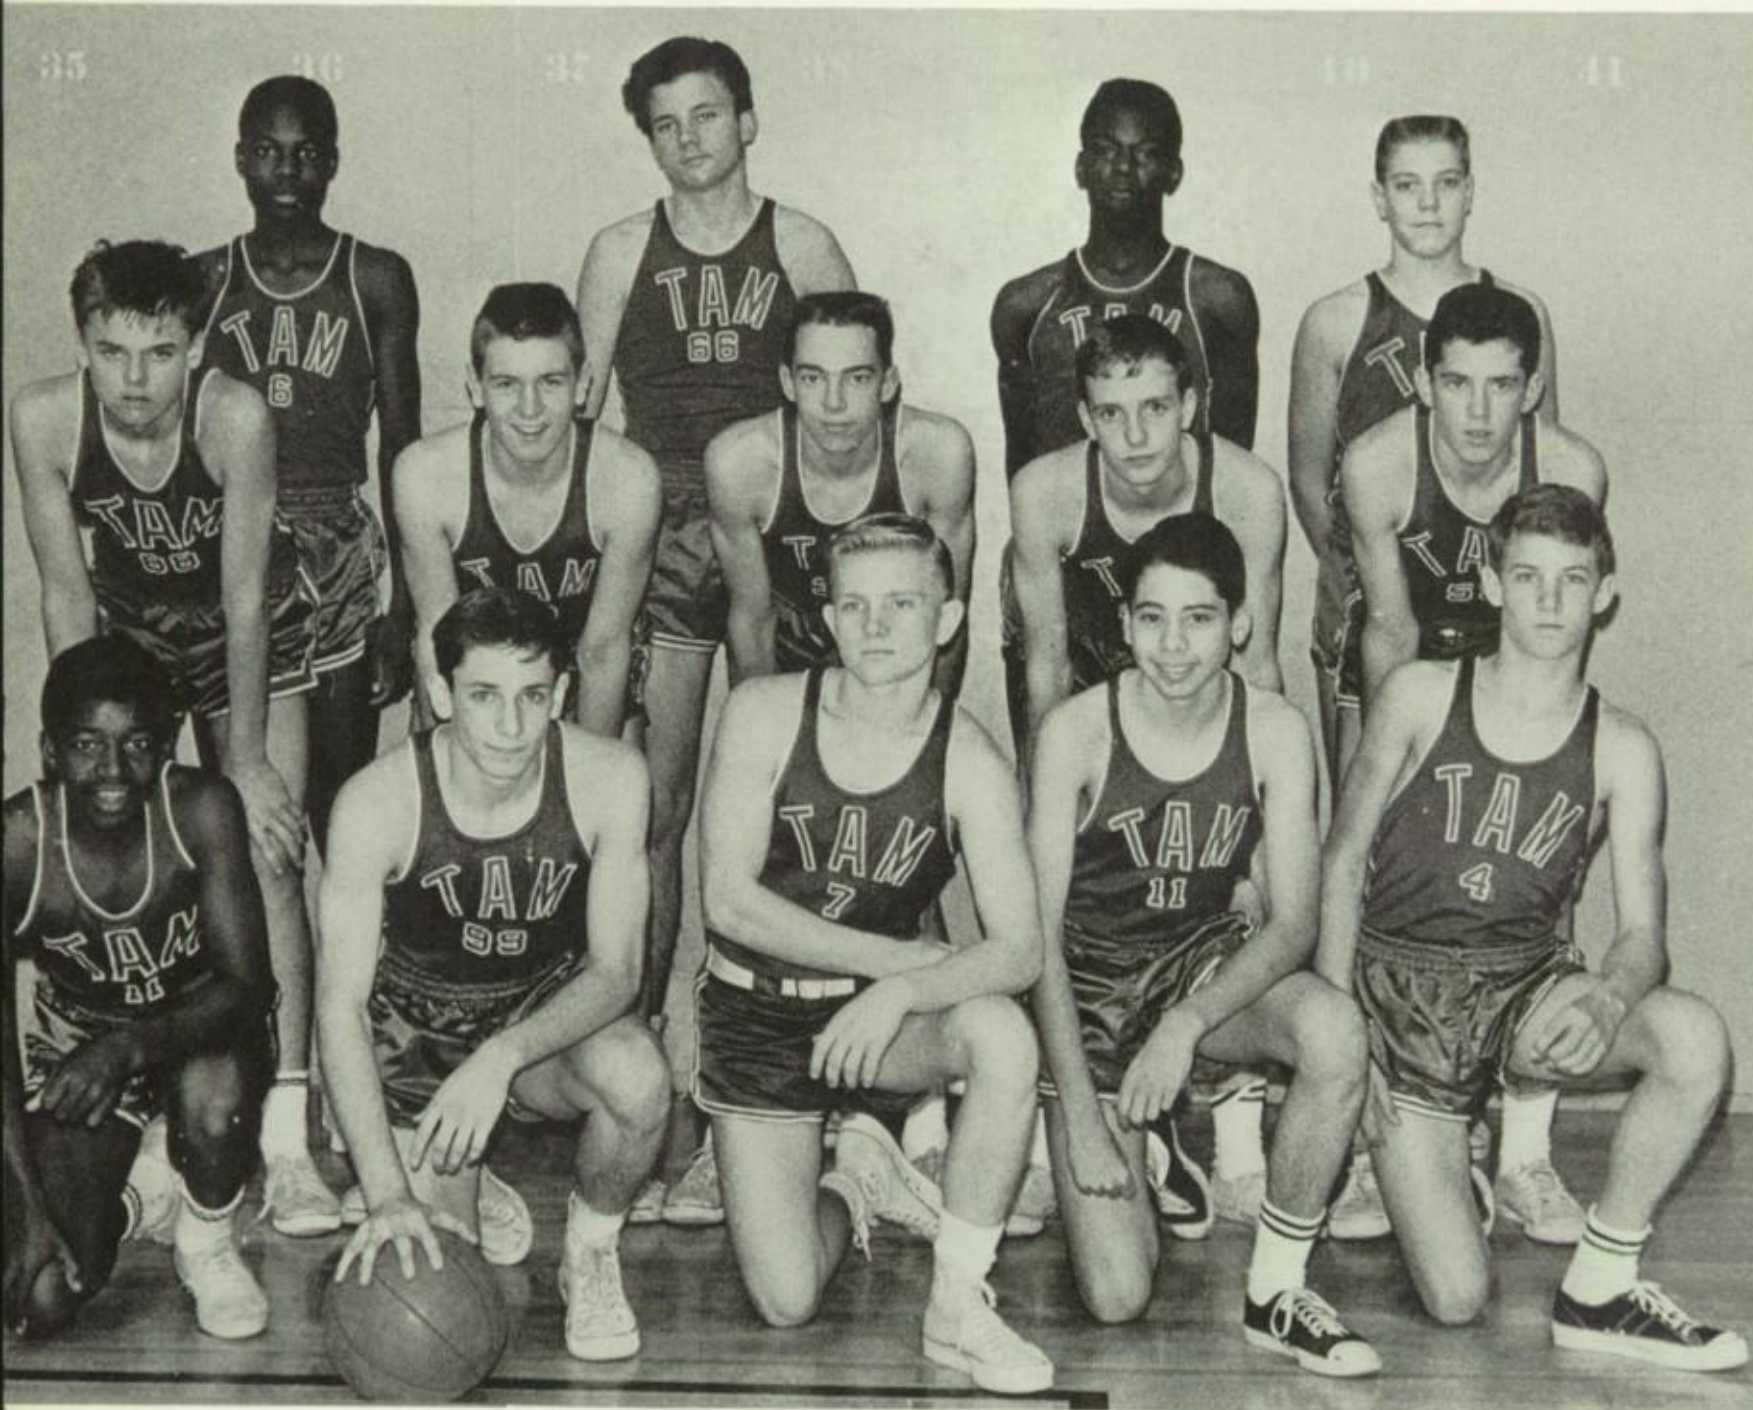

Figuring highly in varsity plans for next year are this year's J.V. standouts: Mike Holloway, Danny Hayden, Ron Pedersen, Paul Austin and Steve Hewett.

Mr. Irvin confers with managers Malcolm Foster, Dave Gealy and Dennis Hogan.

The freshman basketball squad, coached by young Mr. George Irvin, successfully gained the experience necessary to play good high school basketball.

Unhappily, this experience was not gained in time to help them much during their league season.

Frosh standouts were Mike McCreless, Jeff Stott, Don Turner and Larry Adams.

The C basketball squad, under the dramatic supervision of Mr. Dan Caldwell, unfortunately lost all of its games.

Although the squad performed poorly as a whole, Gerry Battle, Mark Collins and Dave Barca played good ball. Battle was the high score man for the season.

wrestling

Coach Healy amidst an anxious crowd of wrestlers at the High School Open Tournament.

Team wrestling, after only a few years at Tam, is rapidly developing into a major sport under the supervision of Coach Jim Healy.

After a disappointing season last year, the team improved to a 5-8 seasonal record in dual meets this year.

Varsity wrestlers Gary Arthur, a transfer student in the 138 lb. weight class, and Bob Washington, in the unlimited division, were undefeated in dual meets, while 145 pounder Ralph Perry (also a transfer student) had a 12-1 record.

Freshman Homer Hall, a 95 pounder, was undefeated in J.V. competition and is rated by Coach Healy as "a real comer."

At the High School Open Tournament held at Tam, Perry took a first place in his division, Jim Terrel a second in the 98 lb. class, John Bennet a second in the 157 lb. class, and Arthur a third in his division.

Figuring highly in Coach Healy's plans for next year are freshmen Hall and Terrel, Sophomores Bennet (whom Coach Healy says "... will be tough to beat!") and Shannon and junior Gary Arthur.

tennis

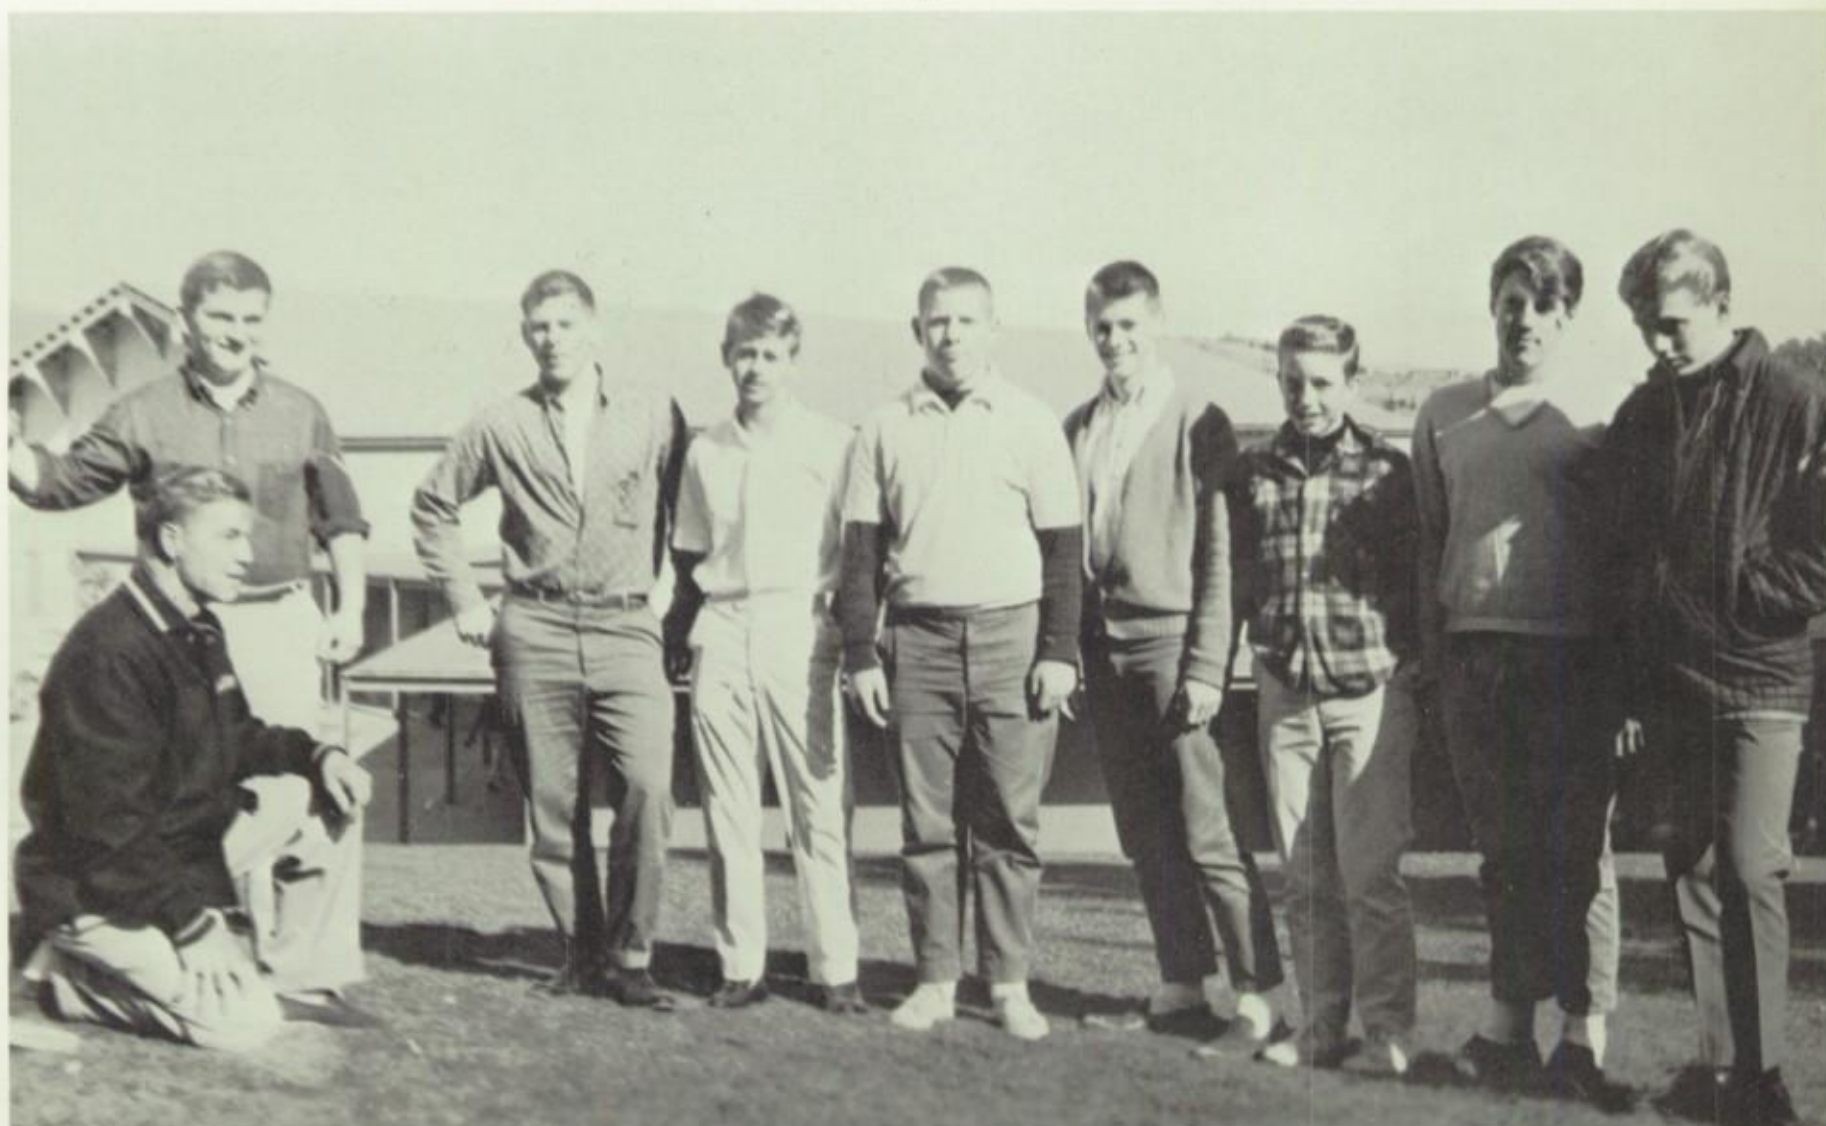

Tam's tennis team, under the supervision of new tennis coach George Gustafson, figured on at best a mediocre season, with only two lettermen returning from last years team.

The two holdovers, Bruce Crawford and Chris Dewees, were expected to capture most of the Indian victories.

Freshman Scott Laurie stands out as a good prospect for future years on Tam courts.

The 1964 Tamalpais swimming squad got off to a good start in its pre-season practice meets. However, due to the fact that most of the varsity team graduated last year, the '64 season is hoped to be, at best, only fair.

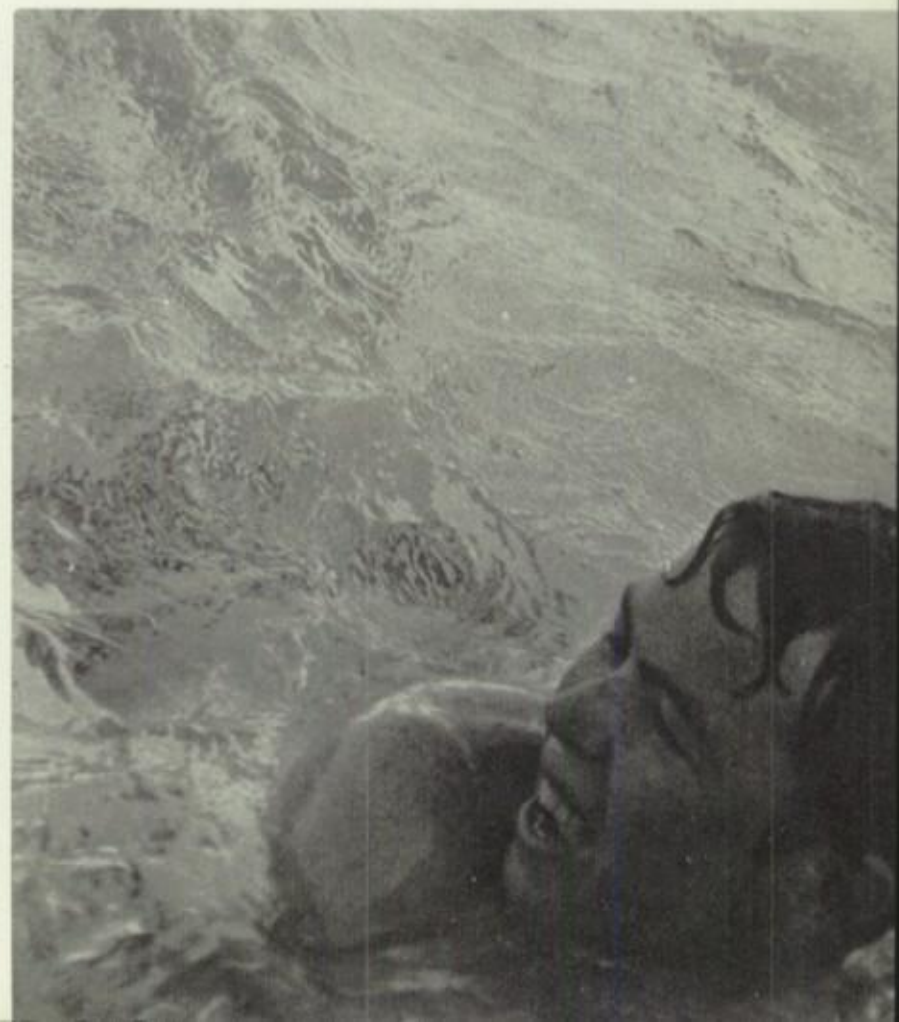

Coach Jim Healy, in his first year at coaching swimming, expects a much more experienced and practiced squad next year with the return of lettermen Steve Donaldson, Frank Hayhurst, Paul Jacobson and Dave Boese.

b and c swimming

The B and C swimming team, virtually assured a last place in the Marin County Athletic League by a sheer lack of swimmers, was, without a doubt, the most enthusiastic group of athletes Tam has ever seen.

Under the strict supervision of Coach Jim Healy the squad toiled endlessly in vain. Although the squad had some experience, in sophomores Shields, Rogers, Dilcher, Roan and Levy, the majority of the boys had never swum competitively before.

Frosh standouts were Jack Shapiro, Bruce Thomson and Tim Norall.

The 1964 diving squad, under the part time supervision of Mr. Krieg Vezie and Mr. Jim Healy, is expected to place near the top of league standings.

This feat is to be accomplished by the sheer will power and diving skill of juniors Chuck Collins, Steve Hewett and Bob Bangs.

Future years of diving at Tam look bright with Frosh standouts Nelson, Baldwin and Langhoff.

The 1964 golf squad got off to a roaring start with senior Elwood Frink as its vanguard.

Steve Varney and Jim Brown followed, consistently shooting pars, birdies and eagles.

Coach Wata predicted that during the course of the year, one of his boys would be sure to get a "hole-in-one."

Overall prospects for the season, however, were not quite as good with the Tam hackers placing near the middle of the league.

Tam's varsity baseballers, under head coach Ray Bell, were looking forward to an average-to-good season in '64. Cedric Collet, Robin Prosch, John Hammond and Rick Miller lead the group of letter-winners returning from last year's squad, while Ron Gilliam, only a sophomore and already a varsity letterman, is expected to give an outstanding performance on the mound.

In addition, sophomores Greg Tellis and Gary Stephens are being counted on to give the Indians aid, if not this year then in '65 and '66. Then too, juniors Gary Gustafson, Kevin Hicks, Tommy Hayes, Pete O'Brien, Eddie Smith, Ken Schumacher, Ralph Garner and Alex Robertson are all going to be back next year, indicating that next year's team may be one of Tam's strongest ever.

varsity track

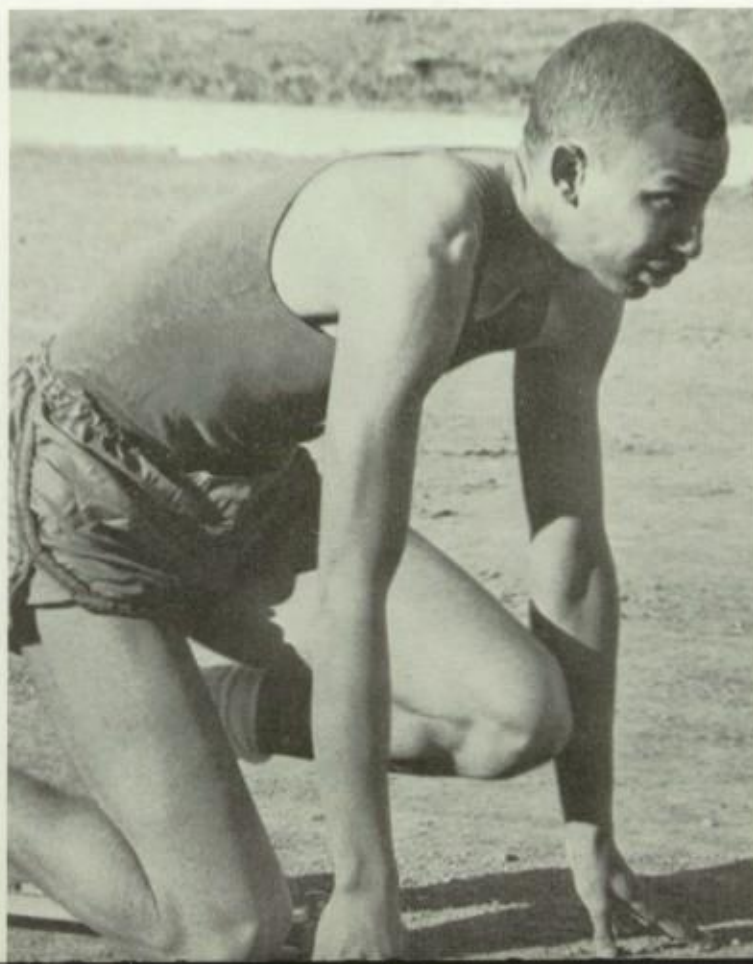

The 1964 Tam track team, under new head coach Bruce Grant, was looking forward to a possible league championship. Established stars Keith Krieger (4.22.8 in the mile) and Ellis Williams (9.8 in the 100 yd. dash) were expected to be undefeated while Sig Hope will probably beat all comers in two mile competition.

But the success or failure of the Indians hinged

on the "maybe" performances of Mitchell Howard (hurdles) Ray Stark (pole vault), Mike Holloway (sprints), Mike Malone (discus and high jump), Bob Washington (shotput and discus) and Jim Lopes (short distance events). The team operated under the handicap of being a very small squad, but since many of this year's boys are underclassmen a strong team is expected next year.

Coaches Grant and Irvin

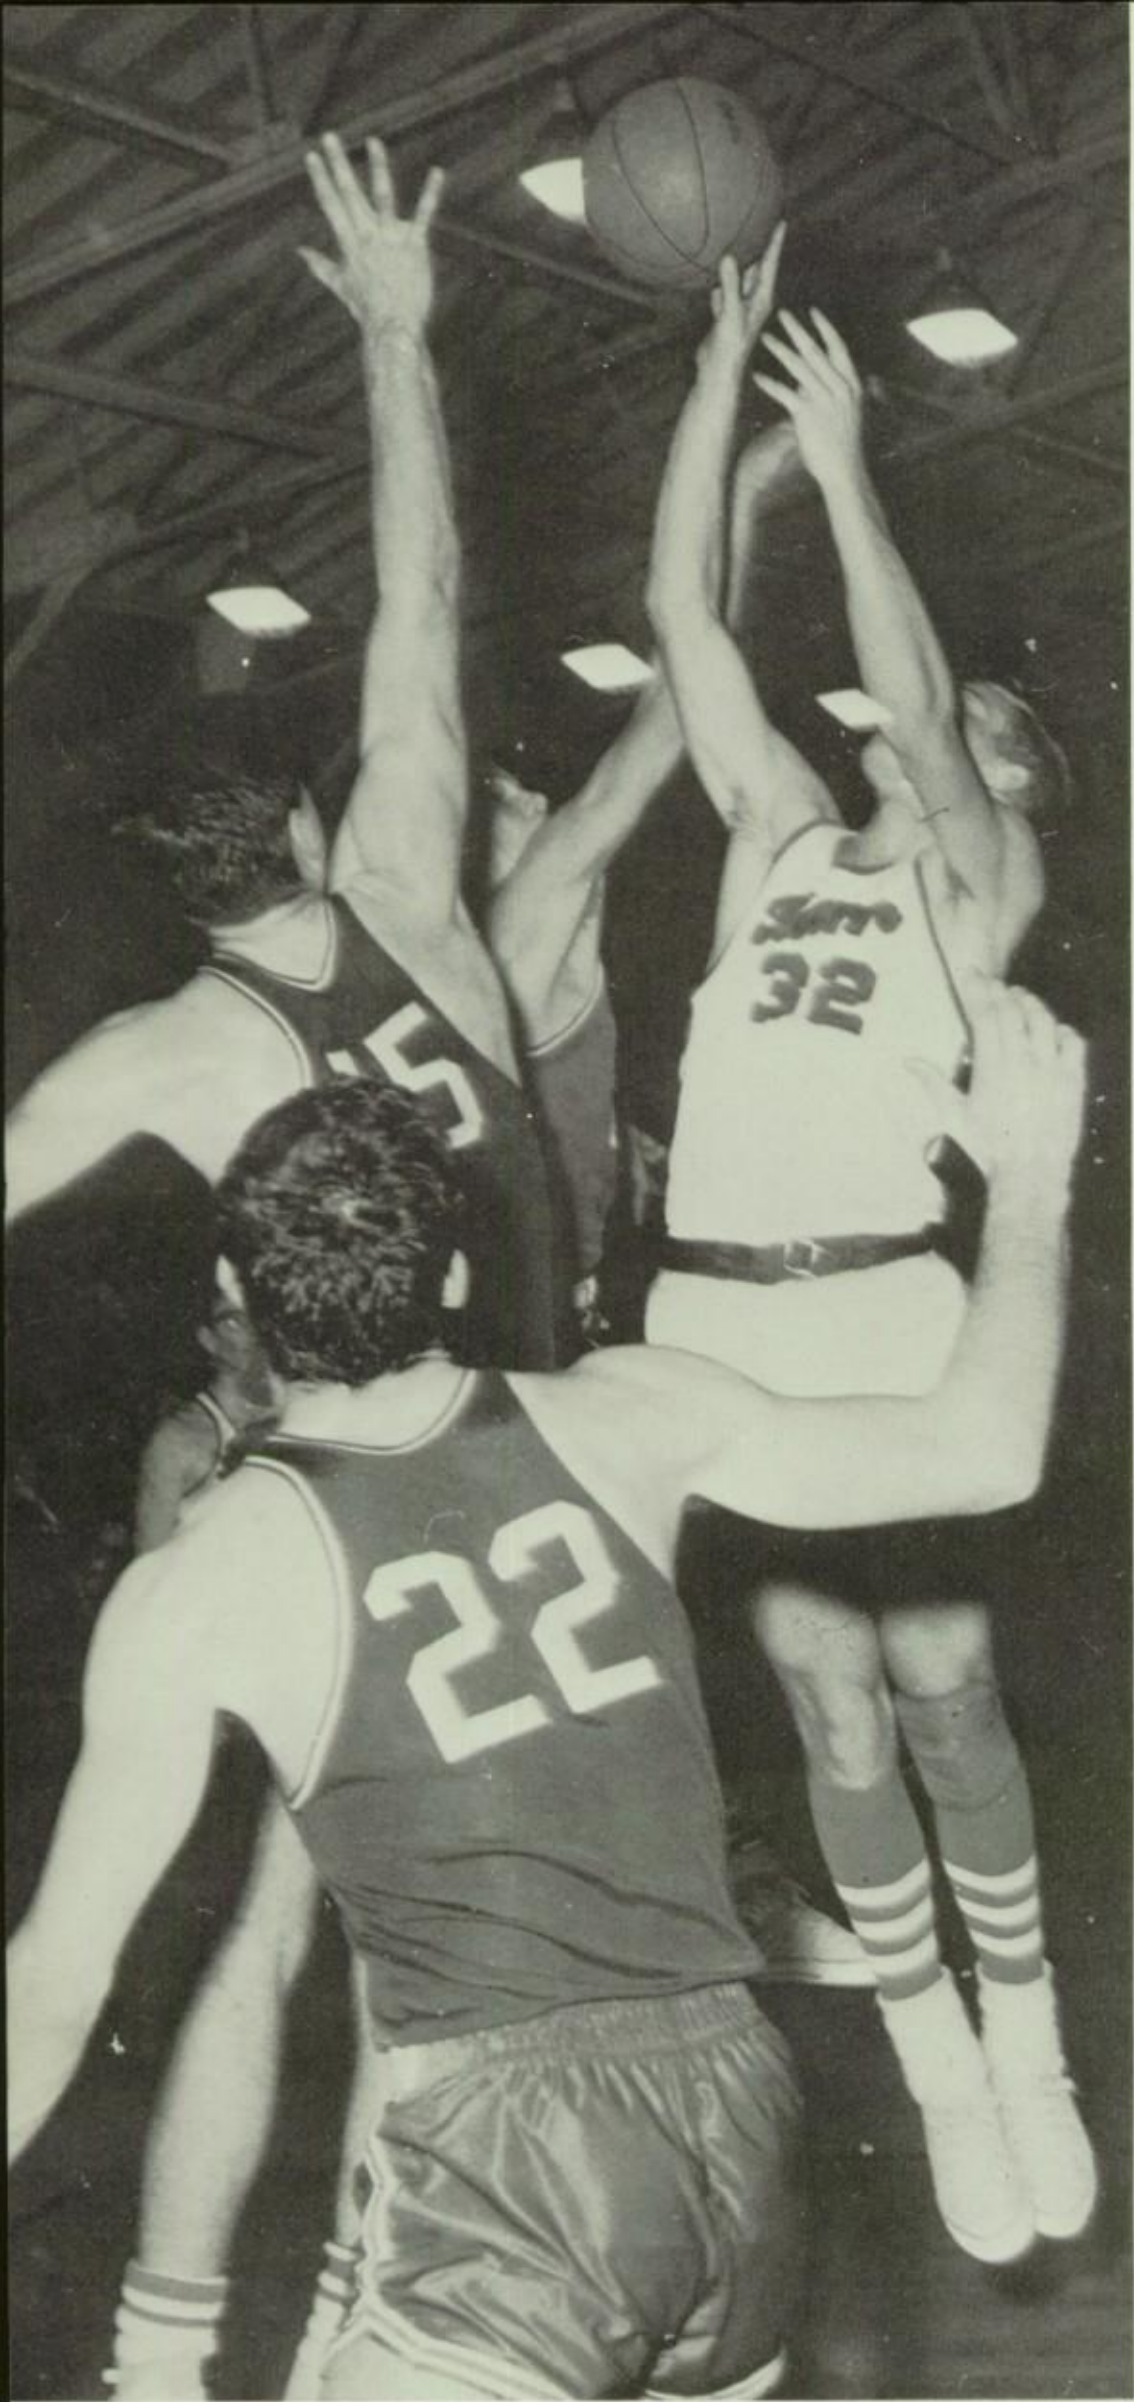

The B and C track teams exhibited their virtuosity to the extent that their talents limited them.

Each victory was a moral triumph, each loss built experience.

Expected to show well in the 1964 season were Daryl Berry, Jimmy Cook, Gary Macolum, Malcolm Collier, Ronnie Turner.

With these boys and many others returning for future years of track at Tam, Coaches Grant and Irvin predict bright years ahead in the Tam track.

*Mr. Lester
 Thank you very much
 for the opportunity to
 learn chemistry. I
 can truly say
 that I did learn a
 lot, especially my
 term topic
 Thanks
 Chuck*

Mr. Reneau,

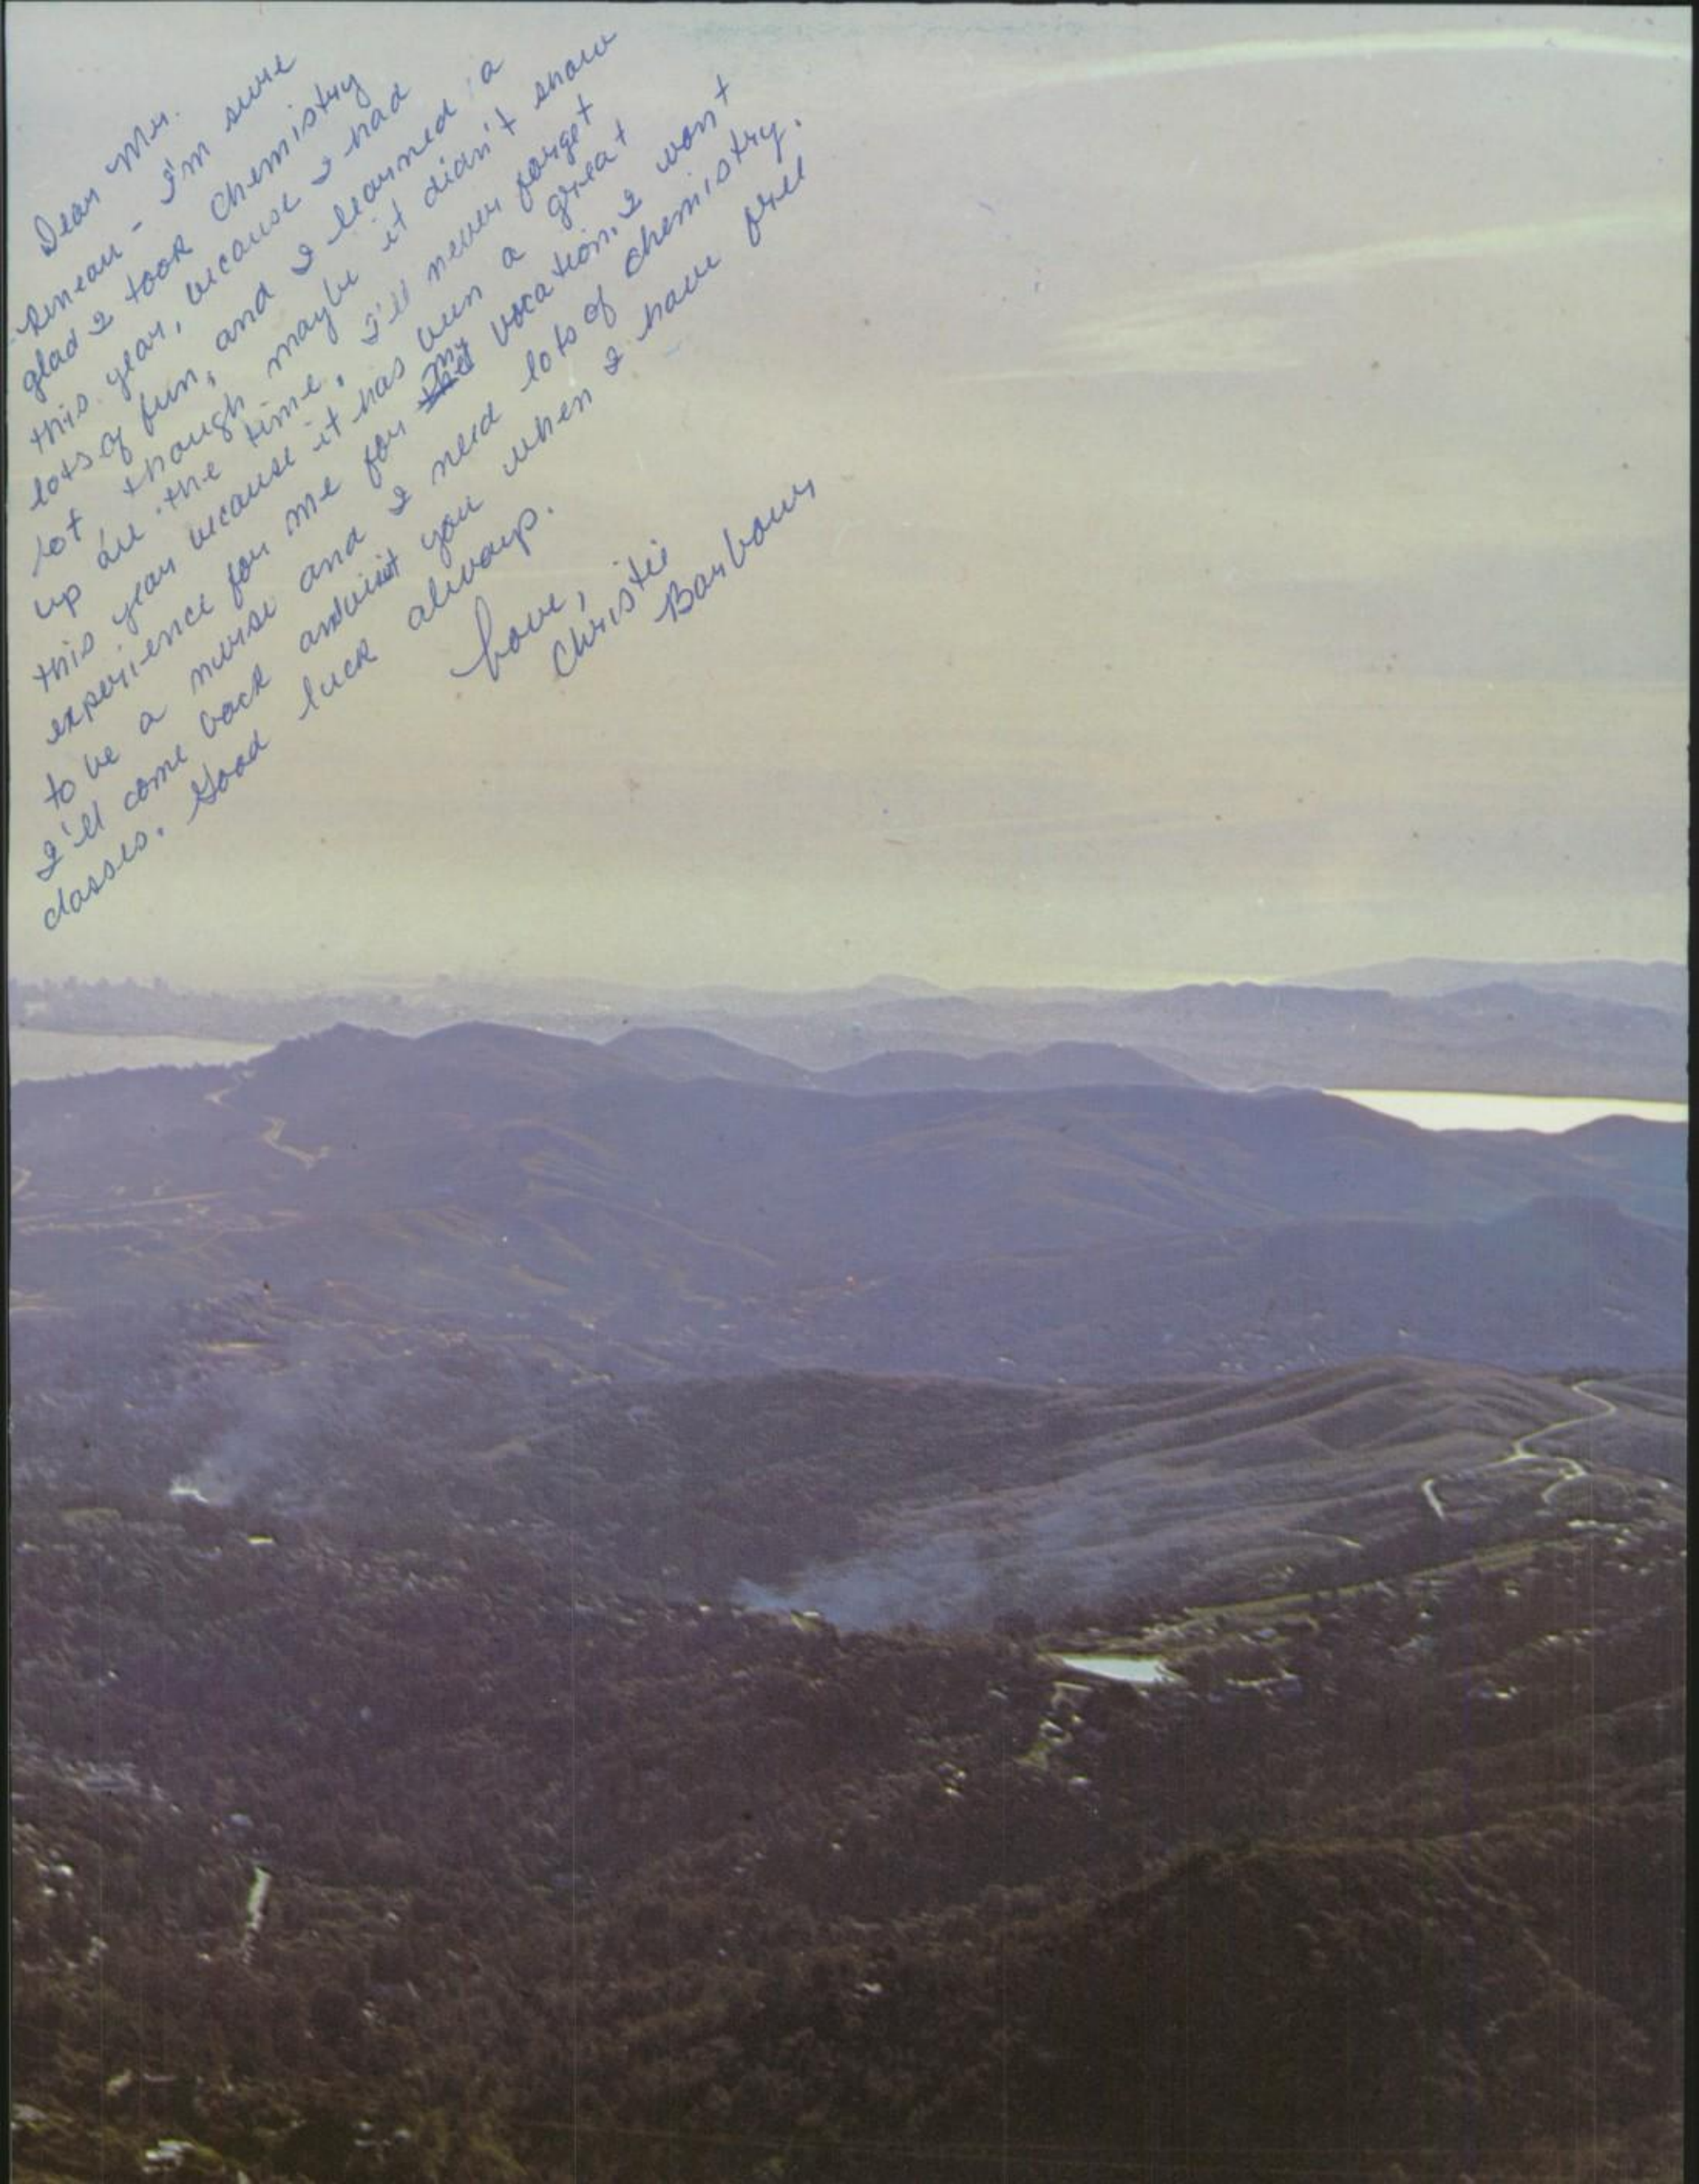

I will never forget the experience of being a lab assistant. I learned a lot that will help me seniors later, such as working closely with adults and with people my own age. I enjoyed making the unknowns - it does give a person a chance to be creative. It was fun getting to know the kids, and I'm glad that I had you for a teacher again this year. Thank you for writing me the letter of recommendation and all the other help you

gave me this year. I'll try to come back and see you next year. Until then, good luck with your classes next year.

Sue Rubelohn

Dear Mr. Sineau - I'm sure
glad I took chemistry
this year, because I had
lots of fun, and I learned a
lot, though maybe it didn't show
up all the time. I'll never forget
this year because it has been a great
experience for me for ~~the~~ my vacation. I want
to be a nurse and I need lots of chemistry.
I'll come back and I have pre
classes. Good luck always.

Love,
Christie

pai honors

Beginning with the PAI '63 a special section has been set aside to honor those graduates who, in the opinion of the faculty and administration, have distinguished themselves most in scholarship and in contribution to Tam's total life.

The seniors whose pictures appear on these pages were elected to represent the Class of '64. Biographical sketches appear on pages 174 and 175.

The north face of the Clock Tower as seen from the corner of Miller Avenue and Gomez Way.

Getting some winter sun.

"Look on my works . . ." no, we did that last year.

Pam smiles

Membership in the International Club, GAA, and Pi Alpha Tau, Vice Oracle and Assistant Priestess to the Honor T Society, and life membership in both Honor T and CSF are indicative of Pamela⁶³ Berry's multitudinous and diversified achievements and interests. The highly successful Shakespeare Contest at Tam owes much of its success to student coordinator Pam Berry. She is one of fourteen Tam students to receive a Letter of Commendation for her high score in the National Merit Scholarship Qualifying Test.

Eric scrutinizes.

⁶³ Eric Ellis, a member of the varsity track and cross-country teams and manager of the varsity basketball team, has been president of the French Club and a member of both Honor T and CSF. He has been active in self-government and has contributed to an increasing awareness of Tamites to the problems of their school.

⁶³ Smiling Irishman James Patrick Kelly can list as a few of his many accomplishments during his four-year sojourn at Tam the following: Grand Oracle of the Honor T Society, President of the French Club, life member of Honor T and CSF, member and letterman of the swim team, winner of a letter of commendation for his efforts in the National Merit Qualifying Test, and, finally, a member in good standing of the PAI staff.

Cedric sleeps.

Alan ponders.

⁶⁴ Cedric Collett, named all-league player for his redoubtable exertions on the 1964 varsity football squad, has also been a constant contributor of points to Tam's varsity basketball and junior varsity baseball teams. He is a life member of Honor T and a member of CSF and has been head of student enforcement.

A member of the writing club, a participant in Tam's Shakespeare Recitation Contest and constant contributor to Tam's intellectual atmosphere, Alan⁶³ Hayakawa has also been a member of the Honor T. An inveterate debator, Alan can always be counted on to express his views cogently and with commendable candor.

⁶³ John Burnham has one of the highest grade point averages of any graduating senior. He has attained life CSF and Honor T membership and is a member of many on-campus clubs. As an indication of John's diverse talents, our agents report that John jumped nine feet, six and three-quarter inches in Physical Fitness Tests.

John concentrates.

⁶³ Joyce Friedman has been president of Girls' League and it was under her direction that the Christmas Formal of 1963 was organized and danced. She has been a member of Honor T and has participated in self-government in many capacities.

⁶³ Member of the Honor T and CSF, Boys' State Representative, and Mathematics Association of America Gold Medal Winner Keith Krieger has, in addition, made profound contributions to Tam sports. His efforts in varsity swimming, varsity track and three years of varsity cross country have made him a letterman several times over. Fleet-footed Keith has been captain of the team and league champ in cross country two years running and is ranked in the top ten nationally in this sport.

A member of Pi Alpha Tau and past member of Nu Alpha Tau, Karen⁶³ Millis has also been a member of Honor T for several semesters. She has been vice president of Girls' League and will probably continue her education at Mills or Whitman College.

Active in many of the productions of Tam's drama department, Deborah⁶³ Ross has participated in Tam's Shakespeare Contest twice, winning first place for her second effort. She has maintained a very high grade point average and has been a member of Honor T several times. She is a prolific writer, but her prolixity detracts in no way from her acknowledged talent in this muse.

Carol munches.

A life member of both Honor T and CSF, Carol⁶³ Jenkins has been a member of both of Tam's girls' service clubs, Nu Alpha Tau and Pi Alpha Tau. She has held the office of president of Pi Alpha Tau and priestess of the Honor T.

Three years of varsity swimming has not prevented PAI editor **Dan McNeill** ⁶³ from achieving life membership in both Honor T and CSF. Dan is also a National Merit Scholarship Finalist and is taking an advanced placement course at College of Marin.

Dan dreams.

Dan smirks.

Patriarch and patron of the Dan Rein fan club (surely you remember it), member of Honor T and CSF, and promoter of a better Tam, **Dan Rein** is very active in Tam's foreign language clubs. He is interested in public speaking and it was under his aegis that the popular and often controversial noontime debates were held in the freshmen court.

Chris towers.

President of the student body and his junior class, varsity baseball and basketball, and most-improved varsity basketball player of 1963 are just a few of the many honors won by student leader **Chris Schuepbach** ⁶³. Chris's intellectual achievements include five semesters of Honor T and one year of student teaching. He is a three-year letterman and was a member of the executive board for one semester.

A member of the French Club, Honor T and CSF, scientifically-minded **Robert Kimmich** received the American Chemistry Award in 1963. Bob enjoys studying biology and learning Greek; he plans to become a doctor and do something useful. This is one of the more commendable purposes we the PAI staff have heard.

Bob discusses. ⁶³

Ellis Williams has played two years of varsity football and three years of varsity basketball; he has run three years of varsity track, during which he has been declared most valuable player in track. Ellis has held the student body offices of treasurer and vice president. He is a letterman many times over. Membership in Honor T and student teaching complete a well-rounded set of accomplishments for Ellis Williams.

Creighton Wyatt has lettered in varsity football and was an outstanding member of the diving team. He was, for one semester, rally commissioner, and during that time Tam's students were constantly reminded of Creighton's unparalleled talents. Creighton has been active in self-government but, above all, Creighton is Creighton, and no extracurricular activities or scholastic achievements can detract from the entity who walks talks, dresses, and plays the harmonica like Creighton. ⁶³

Jill grins.

Cheering on Tam's winning, and losing teams, representing Tam at Girls' State, and the winning of the Daughters of the American Revolution award for outstanding citizenship are a few of **Jill Rutledge's** many extracurricular achievements. On the other hand she has maintained a high scholastic average and has been a member of Honor T many times. Jill has also participated extensively in self-government.

Spending her junior year in Sweden as part of the International Christian Youth Exchange has highlighted ⁶⁴ **Kathryn Stewart's** four years at Tam. In addition, Kay has been a member of many of Tam's clubs and organizations. She has managed the rather difficult task of attaining both a high grade point average and the respect and admiration of all who meet her. ⁶³ Kay enthuses.

acknowledgments

Daniel McNeill
Editor, 1964 *Pai*

The *Pai* staff wishes to acknowledge the invaluable succor given us by the following individuals and groups in our publication of this chronicle:

Kee Coleman Studios and our photographer, Lary Goldsmith, for many of the photos in this book;

Our adviser, Mac Hull, for tribulations — petty and gross — endured by him;

The Tamalpais Administration, for remaining friendly and helpful to our purpose;

Mirro-Graphic Yearbook Company and its representative, Laurence McCaffrey, for advice, patience and gentle prodding which we consumed in great amounts.

Mrs. Kraft, our neighbor across the hall, who tolerated us for a whole year without a single complaint.

Mr. Remeau -
This year
has really been
interesting although
my grades don't
show it. I really
learned a lot. Good You -
Luck and Thank You -

Mr. Remeau,

I have enjoyed
knowing you for the
last three years, Best
wishes always.
